

WESTVIEW FOUNDATION

Dear Westview Parents,

With so many demands on your wallet at the beginning of the school year, why should you give a gift to Westview Foundation? The answer is simple... your tax-deductible donation is a truly worthwhile investment in your child's educational experience.

Our Foundation works in partnership with staff and teachers to identify needs and projects that benefit YOUR Westview student. During the past two years, donations from parents have funded countless programs including the following:

- 60 Chromebook Computers and Charging Carts - used daily by students in all our classrooms
- Extended Library Hours and Peer Counseling Programs (cost: \$12,500/year)
- 27 grants totaling over \$13,000 for teaching enhancement items (for example: smart carts and chargers for Physics; projector and laser for Art History; magazines, games, and maps for World Languages; sensors and improved AC/DC power suppliers for Chemistry; curriculum development for Special Education; lab specimens, muscle electrodes, clamps, and tubes for Biology)
- 22 grants totaling over \$16,000 for items to support our library, athletics, instrumental music, band, color guard, theater, Quiz Bowl, and Science Olympiad groups

Parents like you make the difference between a good school and a GREAT school! This is our only active fundraiser of the year, and we are counting on your generosity now during our Fall Fund Drive to ensure that our students begin this school year with the tools they need for success. The suggested donation is \$200 per family, but contributions of any amount are welcomed and appreciated.
